INTERACTIVE DITCH KEY

- **RED LINE** = street segment available to adopt & clean
- **ORANGE LINE** = street segments already adopted
- **GREEN LINE** = street clean up completed

HOW TO ADOPT A STREET SEGMENT

- Once at the map page, zoom to your area and click on the street segment you want to adopt;
- A pop-up window will appear--at the bottom of the window click on the 3 dots. Next, click on Smart Editor, then click on the right arrow in the upper right hand corner.
- The Editor window will appear, there you will find fields where you can switch the status from "Change Adoption Status" to "Adopted by Volunteer"--use the drop down;
- Enter your Name of Lead Volunteer, Email, & Phone # for communication purposes & cleanup reminders.
- Adjust Cleanup Status drop down menu as needed. Change status to "complete" when the street/area cleanup is done; include notes, # of bags, and upload photos of your group.
- **REMEMBER TO CLICK SAVE AFTER MAKING ANY CHANGES.**
